Participation consent and risk acknowledgement

Prime Kids Academy | Chiswick, Sydney | Up to 17 years of age Please read this information before registering your child. It explains the activities, participation risks and responsibilities that apply to your booking.

1 Who these terms apply to

These terms apply to all training and fitness programs and activities delivered by PRIME PERFORMANCE ACADEMY PTY. LTD. (ABN 83 702 166 890) trading as Prime Kids Academy (we, us or our), including Prime Fitness, Prime Soccer, Prime 1:1, goalkeeper training, free trials, fitness and movement evaluations, and party activities. They apply at Lysaght Park, Chiswick, and other confirmed venues.

You means the parent or legal guardian completing the registration. Your child means the participant identified in that registration. A separate consent must be completed for each child, including each party guest; the party organiser cannot consent for other children without appropriate legal authority.

2 Permission to participate

You confirm that you are at least 18 and have parental responsibility or legal authority to consent to your child's participation. You give permission for your child to take part in the activities described in their booking. Please tell us about any relevant arrangements affecting safe collection or communication.

Consent applies to the booking or program period identified at registration. A materially different activity, such as an excursion or transport arranged by us, requires separate information and consent. We will explain activities to children in an age-appropriate way and respect requests for a break or to stop.

3 Important risk warning

Physical activity involves a risk of injury, even when reasonable safety measures are used. Activities may include running, jumping, changing direction, balancing, bodyweight exercises, throwing, catching, kicking, football drills, goalkeeper practice and active games, depending on the booking.

Risks include slips, trips, falls, collisions with other people or equipment, contact with balls, awkward landings, muscle strains, sprains, bruising, cuts, fractures and head injuries, including concussion. Outdoor activities may also involve uneven or slippery surfaces, heat, sun exposure, dehydration, insects and changing weather. In uncommon circumstances, injury or a medical event can cause permanent disability or death.

You acknowledge these risks and consent to your child participating after considering their needs and the activities booked. Please discuss the risks and safety instructions with your child in language they can understand. This warning does not mean that every activity is suitable for every child or that we can disregard safety obligations.

Safe participation and session arrangements

These responsibilities help us provide an encouraging, inclusive and well-managed environment.

4 Health information and individual needs

Before participation, tell us about relevant injuries, allergies, asthma, medical conditions, medication requirements, disability, access needs and professional advice that may affect participation or emergency care. Provide relevant management plans and keep the information and emergency contacts current. You can raise an urgent change directly with the coach; please also update the registration record promptly.

We will discuss reasonable adjustments with you. Where a particular activity presents a safety concern, we may pause participation while we agree appropriate support or obtain relevant professional guidance. Decisions will be based on the activity and individual circumstances. Our coaching and evaluations are not medical assessments.

Do not bring your child if they are acutely unwell or may expose others to a contagious illness. Tell the coach immediately about pain, dizziness, unusual breathlessness or a suspected injury. Your child may rest, adapt or stop an activity.

5 First aid and emergencies

You authorise us to provide first aid within our training and to contact emergency services when reasonably necessary. We will try to contact you or your nominated emergency contact as soon as practicable. If contact cannot be made, we may seek urgent assistance and share relevant information with responding professionals. Treatment decisions remain with appropriately authorised health professionals.

You are responsible for ambulance or treatment charges that you are legally required to pay. This clause does not make you responsible for costs or liability that the law places on us. Medication arrangements must be agreed with us beforehand; do not assume a coach can administer medication simply because it has been disclosed.

6 Clothing and equipment

Children must wear suitable clothing and enclosed sports footwear, bring drinking water and use appropriate sun protection outdoors. We will advise you of any additional protective equipment before the activity. Shin pads are required for football activities involving player contact. Remove or secure items that could cause injury and follow reasonable equipment and venue instructions.

7 Arrival and collection

Please bring your child to the nominated coach and collect them promptly at the end of the session. Until handover to the coach and after collection, supervision is your responsibility. During the booked activity, we supervise participating children; accompanying siblings and spectators remain your responsibility.

Keep a parent or nominated emergency contact reachable throughout the session. Tell us in advance who may collect your child and notify us of changes. Alternative departure arrangements require prior agreement. We do not provide supervision outside the confirmed session and handover arrangements.

8 Respectful behaviour and child safety

Children and adults must treat others respectfully and follow reasonable safety instructions. Bullying, discrimination, harassment, abuse and deliberately dangerous behaviour are not acceptable. We may stop an activity or require collection where reasonably necessary for safety. Where practical, we will discuss concerns and support before deciding on ongoing participation.

Raise safety or wellbeing concerns with us through the contact details on our website. Nothing in these terms restricts reporting a concern to police, a regulator or another appropriate authority.

Bookings privacy and parent agreement

Please complete the parent agreement before your child's first session. Signing includes photo and video consent unless you notify us in writing that you do not consent.

9 Fees cancellations and weather

The price, booking period and cancellation or make-up arrangements are those clearly presented before you confirm the booking. If your child cannot attend, contact us promptly. We will apply the cancellation policy accepted for that booking, subject to your rights under Australian Consumer Law.

We may modify, postpone or cancel activities where weather, ground conditions, venue access or another safety concern makes this necessary. We will notify you using the contact details supplied. If we cancel a paid session before it begins, we will offer a replacement or credit; if a suitable alternative cannot be agreed, we will refund the undelivered session. If a session is interrupted, we will assess an appropriate remedy in the circumstances, including any remedy required by law. We will not impose a material change to a confirmed booking without explaining your options.

10 Personal information and photographs

We collect registration details, emergency contacts and relevant participation information to administer bookings, support safe participation and respond to incidents. Relevant information may be shared with staff who need it for these purposes, emergency responders or others where required or authorised by law. Our Privacy Policy explains our information handling practices and how to contact us about access, correction or a privacy concern.

By signing or electronically accepting this agreement, you consent to promotional photography and video as described below, unless you notify us in writing that you do not consent. Please notify us before your child's first session so we can record your preference. Declining does not affect your child's participation. We will also respect your child's wishes about being photographed. Please do not photograph, record or publish images of other children without permission.

11 Your rights and the effect of this agreement

We will take reasonable care in organising and delivering activities. Nothing in these terms excludes, restricts or modifies any right, guarantee or remedy that cannot lawfully be excluded, including under Australian Consumer Law.

This agreement records informed participation consent and acknowledgement of risks. It does not require you to indemnify us against claims by your child and does not purport to extinguish your child's independent legal rights. It does not release us from liability for negligence, reckless conduct or any other liability merely because you accepted this agreement.

These terms are governed by the laws of New South Wales, without removing any mandatory protections or rights to use a competent court or tribunal elsewhere. Material changes apply to future bookings after notice and acceptance, rather than retrospectively changing an existing booking.

Parent agreement and image consent

Parent or guardian agreement

By selecting the agreement checkbox on the website, I confirm that I am the child's parent or legal guardian, or otherwise have legal authority to provide consent. I have read the Participation Consent and Risk Acknowledgement, including the important risk warning, and consent to the child identified in this registration participating in the booked activities. I understand the photo and video consent provisions and that I must notify Prime Kids Academy in writing if I do not consent. I have supplied relevant participation information and current emergency contacts and will notify Prime Kids Academy of changes.

Photo and video consent

By selecting the agreement checkbox on the website, I consent to Prime Kids Academy taking photographs and video of my child for promotional use on its website, social media and printed materials, without payment, unless I notify the Academy in writing that I do not consent. I understand that I must provide this written notice before my child's first session if I do not want my child photographed or recorded for these purposes. Declining consent does not affect my child's participation.

My child's full name or identifying personal details will not be published with the images without separate permission. I understand that online material may be viewed or shared beyond the Academy's control.

I may withdraw consent at any time by notifying the Academy in writing through the contact details on its website. Withdrawal stops future photography, recording and promotional use. The Academy will remove images from channels it controls where reasonably practicable, but cannot retrieve material already printed or independently shared.
